ANDECHSER NATUR Organic Rosso Bianco 52% FDM 500g

ANDECHSER NATUR Organic Rosso Bianco 52% FDM 500g
Organic soft cheese* with 52% FDM at the minimum

Only those cheese specialties which are produced in France are allowed to be designated “French soft cheese”. Our partner who produces the Rosso Bianco according to an ANDECHSER NATUR recipe is Paturages Comtois. The organic milk comes from the region of Franche-Comté and the Larger Area of the Vosges, a region where traditionally only organic milk is produced because of the existing mineral springs and the associated nature reserves there.
