Organic cream cheese preparation* with herbs and refined with skimmed yogurt, heat-treated, 65% FDM

The ANDECHSER NATUR organic cream cheese preparation with herbs is made from fresh organic milk. In combination with a balanced mixture of herbs, onions and garlic and creamy organic yogurt, it tastes like homemade - the favorite dip for vegetable sticks, breadsticks and crunchy pretzel sticks. But it is also the first-class ingredient for modern cooking with pasta or as a fresh kick in sauces.
