

ANDECHSER NATUR

Organic goat cream cheese 65 % 150 g

- ✓ fine & mild taste
- ✓ produced with microbial rennet
- ✓ made of 100% goat milk

The ANDECHSER NATUR organic goat cream cheese, with minimum 65 % fat, produced from 100% organic goat milk, with its fine, mild goat milk flavor is your first choice for hot and cold dishes and many specialties.

Organic goat cream cheese*, heat-treated, 65 %
FDM

Goat's milk is particularly popular among connoisseurs – with goat's cream cheese being the perfect companion for a variety of recipes. The company Alpenmilch Salzburg is a professional producer of cream cheese and processes organic goat's cheese from our milk suppliers right on site. Many goats also work for us in Austria. The reason for that is that there are less organic goat's milk suppliers than organic cow's milk suppliers and that these are spread across the country. Please click here ["The ecological way"/organic milk suppliers](#) for more information.

Ingredients:

GOAT CREAM*, sea salt, lactic acid cultures, microbial rennet. *of controlled organic farming
